

UTILIZATION MANAGEMENT

Blue Cross Blue Shield of Michigan and Blue Care Network provide utilization management programs.

These programs vary based on member coverage and may be administered by Blue Cross or BCN staff or by independent companies.

Utilization management programs focus on ensuring that patients get the right care at the right time in the right location through the prior authorization process.

These programs are provided by the department listed below.

UTILIZATION MANAGEMENT

Human Organ Transplant department

Makes prior authorization determinations for solid organ and bone marrow transplant procedures.

Notes:

- Cornea and skin transplants don't require prior authorization.
- Before submitting a request for a kidney-only transplant, call Provider Inquiry as follows to determine whether the member requires prior authorization:
 - Michigan hospitals and facilities: Call 1-800-249-5103.
 - Non-Michigan hospitals and facilities: Call 1-800-676-2583.

The Human organ transplant department provides this service for the following groups and individual members:

- Blue Cross commercial — All fully insured groups, select self-funded groups* and all members with individual coverage
- BCN commercial — All fully insured groups, all self-funded groups* and all members with individual coverage

Reminder

As always, it's essential that providers check each member's eligibility and benefits prior to performing services.

Providers are responsible for identifying the need for prior authorization through our provider portal, Benefit Explainer or Provider Inquiry and for obtaining prior authorization for services, as needed.

*For self-funded plans, the employer assumes the risk for claims costs and pays a fee for administrative services provided by Blue Cross or BCN.
