

Oncology Value Management program participation list for self-funded groups

For Blue Cross commercial and BCN commercial

Revised October 2025

This document lists the Blue Cross Blue Shield of Michigan and Blue Care Network commercial self-funded groups have opted out of the Oncology Value Management program. Health care providers don't need to submit prior authorization requests for oncology medical benefit or oncology pharmacy benefit drugs for members who have coverage through these groups.

For most members, the Oncology Value Management program is administered by OncoHealth. Providers must submit prior authorization requests for oncology and supportive care drugs to OncoHealth.

To determine which oncology and supportive care drugs are managed by OncoHealth:

- For medical benefit drugs: See the <u>Oncology Value Management program prior authorization</u> list for Blue Cross and BCN commercial members.
- For pharmacy benefit drugs: See the For Providers: Drug Lists page on bcbsm.com.

Important:

- For groups that don't have requirements under the Oncology Value Management program, providers may need to submit prior authorization requests for select drugs, such as gene and cellular therapies, through the Medical and Pharmacy Drug PA Portal, which is accessed by clicking the Medical and Pharmacy Benefit Drug Prior Auth tile in our provider portal.*
- Some Blue Cross or BCN commercial self-funded groups don't have pharmacy benefit drug coverage through Blue Cross or BCN. Members who have coverage through those groups may have different requirements for oncology pharmacy benefit drugs.
